*"We seek to grow in Christ and to share our love of God in Word and Deed."*

Dear Brothers and Sisters in Christ,

I had intended to write my article for this newsletter when Jerry and I were on vacation. I knew we would be traveling in the car for a lot of miles, and I thought one of the things I could accomplish as a passenger on our 3000 mile trip was to write my article, but I didn't. I did read a good book, enjoyed the scenery, ate junk food, and told Jerry where to go.

Now, I am glad that I didn't get my article written because after listening to Maddie, the Southwest Regional Camp Ambassador, share with the congregation about camping, I knew what I wanted to write about – the joy of attending an Iowa United Methodist Camp. There are three United Methodist Camps and Retreat Centers across the state of Iowa: Okoboji in Spirit Lake, Pictured Rocks in Monticello, and Wesley Woods in Indianola.

As I read through the *2015 Iowa United Methodist Camps Events Catalogue*, I was amazed at the variety of activities offered at the camps – something for everyone! For those who love horses there is Horse Camp, Atomic Adventures Camp for those interested in science, Down on the Farm Camp for animal lovers. Mud Poles & Fishing Camp is for those who love getting muddy and fishy. Stars Spectacular Camp is for star gazers. At Bike Force Camp you will participate in a bike rodeo, and you can attend Roughin' It and Toughin' It if you love to canoe. You can find even more camps in the catalogue.

There are full-week camps, half-week camps, overnight camps, and day camps. The day camps are for the young camper, ages four through six. And if you think you are too old for camp, think again! Grandparents, there is a camp for you, too. There is an overnight Grandparent/Child Camp where you can spend quality time with your grandchild fishing, swimming, horse riding, and hiking. And A Friend & Me Camp is a great camp for a parent and child to attend to enjoy the camping experience together.

## ***Disciple Express***

And as great as all of that sounds, the best part of attending a United Methodist Camp is the opportunity to experience the love of Jesus and to grow in faith together. Worship and Bible study are a part of the camping experience.

Deke Rider, Wesley Woods Site Director, writes: "We believe in sharing with young people the presence of God's love all around them. We share the stories from the Bible and our personal faith journeys as we encourage young people to ask themselves what they think and discover more about who God has created them to be."

The church has funds to help with the cost of attending camp thanks to your generous donations on Camping Sunday.

There are three ways to register for camp: Complete registration form in the camp catalogue, call 1-800-765-1651 to register by phone, or register online at [www.IAUMC.org/camps](http://www.IAUMC.org/camps).

Remember-

***Iowa United Methodist Camps transform, grow, renew, and they have an adventure for you!***

Blessings,

Pastor Karen

### **The United Methodist Church Contributes \$9.6 Million to Fight Malaria in Africa**

WASHINGTON, D.C.: The people of The United Methodist Church today will make a historic donation to the Global Fund with a gift of \$9.6 million, the single largest contribution made by a faith organization to the Geneva-based institution. United Methodists throughout the world contributed to the Imagine No Malaria initiative through donations and grassroots fundraising efforts, ranging from pancake breakfasts to 5K runs to lemonade stands.

“It is on behalf of and with much appreciation to the people of The United Methodist Church that we make this gift,” said Bishop Thomas J. Bickerton, who leads the church’s Imagine No Malaria campaign. “Today we celebrate, with our partner the Global Fund, the work we are doing to end preventable deaths from malaria on the continent of Africa. Our work is making a difference.”

The contribution makes The United Methodist Church one of the most significant non-government contributors to the Global Fund. The money will be used to purchase and distribute insecticide-treated bed nets and other tools to control malaria in Angola, Côte d’Ivoire, Democratic Republic of Congo, Liberia, Mozambique, Rwanda, Sierra Leone, Uganda and Zimbabwe.

“The United Methodist Church’s contribution to fighting the scourge of malaria is admirable and outstanding,” said Mark Dybul, Executive Director of the Global Fund. “This money will allow hundreds of thousands of African children to sleep under a bed net, significantly improving their chances of living malaria-free lives.”

The check presentation will be held at an event on Capitol Hill among a group of lawmakers, United Methodists and members of a wide variety of secular and global organizations and is among a number of global events held to mark World Malaria Day on April

25. United Methodists have organized events for World Malaria Day to raise Imagine No Malaria funds with the theme of #BringChange.

In 2010, the Global Fund and the people of The United Methodist Church joined forces in the fight against malaria. At the core of this partnership is the Imagine No Malaria campaign, which puts faith into action by empowering the people of Africa to improve health infrastructure and achieve a sustainable victory over malaria. The partnership leverages the denomination’s network of hospitals and clinics in Africa and the powerful commitment of United Methodists, along with the scope and resources of the Global Fund to achieve impact on a greater scale than would be possible alone.

The United Methodist Church has pledged up to \$28 million to help those at-risk enjoy malaria-free lives, and has raised \$18.1 million for the Global Fund to date.

Imagine No Malaria is near its goal of raising \$75 million for the battle against malaria.

#### **About Imagine No Malaria**

Imagine No Malaria is an extraordinary ministry of the people of The United Methodist Church, putting faith into action to end preventable deaths from malaria in Africa, especially the death of a child or a mother. With a comprehensive approach to fighting this killer disease, Imagine No Malaria empowers the people of Africa to improve health infrastructure and achieve a sustainable victory over malaria.

#### **About the Global Fund**

The Global Fund is a 21st-century organization designed to accelerate the end of AIDS, tuberculosis and malaria as epidemics.

Founded in 2002, the Global Fund is a partnership between governments, civil society, the private sector and people affected by the diseases. The Global Fund raises and invests nearly US\$4 billion a year to support programs run by local experts in countries and communities most in need.

### **Godly Humor**

The Wednesday-night church service coincided with the last day of hunting season. Our pastor asked who had bagged a deer. No one raised a hand.

Puzzled, the pastor said, "I don't get it. Last Sunday many of you said you were missing because of hunting season. I had the whole congregation pray for your deer." One hunter groaned, "Well, it worked. They're all safe."

**Golf in Heaven**

A cleric found himself wondering whether there were any golf courses in Heaven. He even began to ask the question in his prayers. One day, in answer to his prayers, he received a direct answer from on high.

"Yes," said the Heavenly messenger, "There are many excellent golf courses in Heaven. The greens are always in first class condition, the weather is always perfect and you always get to play with the very nicest people."

"Oh, thank you," said the cleric, "That really is marvelous news."

"Yes, isn't it?" replied the messenger, "And we've got you down for a foursome next Saturday."

A Pastor in Florida lamented that it was very difficult to get his message across to his congregation. "It's so beautiful here in the winter," he said, "that heaven doesn't interest them. And it's so hot here in the summer that hell doesn't scare them."

A Sunday school teacher was discussing the Ten Commandments with her five and six year olds.

After explaining the commandment to "honor thy father and thy mother," she asked "Is there a commandment that teaches us how to treat our brothers and sisters?" Without missing a beat, one little boy answered, "Thou shalt not kill."
